

Description

5 acres located in the ECAP zone of Punta Gorda Interstate Airport Park provides a great opportunity to capitalize on the market demand for industrial, manufacturing, and warehouse needs. The surrounding industry includes Bluebell Ice Cream, Southeastern Freight, Budweiser Distribution, FedEx, and the Charlotte County Airport. This location provided great access to the interstate and airport, as well as Hwy 17 for access to the middle and east coast parts of the state. The ECAP zoning allows Commercial, Industrial, Distribution, Office, Aviation, and Agriculture. Notable utilities such as Water, sewer, cable, and T-1 internet are available in the area.
