

The Basics of SBA Economic Injury Disaster Loans for Working Capital Losses due to Hurricane Ian

As of Mar. 31, 2023

SBA's Disaster Loan Programs

Business and Home Loans for Property Damages

- Low-interest direct loans to businesses of all sizes, nonprofits, homeowners and renters not covered by insurance or other recovery funds to repair or replace disaster-damaged or destroyed real estate, personal property, machinery and equipment, inventory, and other business assets.

Economic Injury Loans for Working Capital Needs

- Low-interest direct loans to small businesses and most private nonprofit organizations. Economic Injury Disaster Loans help meet working capital needs caused by the disaster. Economic Injury Disaster Loan assistance is available regardless of whether the business suffered any physical damage.

Loan Eligibility Restrictions

- Only uncompensated losses (disaster losses not compensated by insurance or other recoveries such as FEMA grants, reimbursement by another party, settlement of a lawsuit, etc.) are eligible.
- Applicants are **not** eligible if they have not complied with the terms of previous SBA loan agreements or other Federal obligations (e.g., failure to maintain required insurance, court-ordered child support, student loans, or Federal Income Tax filing requirements).

Loan and Insurance Requirements

Requirements for loan approval

Eligibility

- Damaged property must be in a declared area.

Credit History

- Applicants must have a credit history acceptable to SBA.

Repayment

- Applicants must show the ability to repay all loans.

Borrowers must obtain and maintain appropriate insurance as a condition of most loans.

Hazard Insurance

- Required on all secured loans.

Flood insurance

- Required for properties located in a Special Flood Hazard Area (SFHA) and for properties damaged in a flood disaster.

Collateral Requirements

- Physical loans over \$25,000 require collateral.
- Economic injury loans over \$25,000 require collateral.
 - (Up to \$50,000 unsecured disaster business loans - combined physical and economic injury loan funds).
- SBA will not decline a loan for lack of collateral, but requires collateral that is available.

The Application Process

Apply:

Online at SBA’s secured website: disasterloanassistance.sba.gov

Filing Deadline for Physical Damage: 60 days from the declaration date.

Filing Deadline for Economic Injury: 9 months from the declaration date.

SBA will contact applicant to verify damage and schedule a site visit if necessary.

SBA will process the file to a decision. Could take up to 2-3 weeks

If approved, loan documents are forwarded to borrower.

The applicant is advised of appeal rights, if declined.

An initial disbursement is generally made within 5 days after the applicant signs and returns the required loan closing documents.

- Up to \$25,000 for physical damages
- Up to \$25,000 for economic injury

Subsequent disbursements are generally made in installments to match the pace of construction.

EIDLs: What businesses are eligible to apply?

SBA's Economic Injury Disaster Loans (or working capital loans) are available to small businesses, small agricultural cooperatives, small aquaculture businesses and most private non-profit organizations.

This includes:

- Businesses directly affected by the disaster.
- Businesses that offer services directly related to the businesses in the primary counties of the declaration.

SBA Economic Injury Disaster Loans (EIDLs)

The Basics

Small businesses in a declared disaster area that have suffered substantial economic injury may be eligible for an Economic Injury Disaster Loan, even if they do not have any physical damage.

Substantial economic injury means the business is unable to meet its obligations and to pay its ordinary and necessary operating expenses, such as lease payments, utilities, insurance, payroll, taxes and payments on fixed debts.

These loans are available even if you have an existing disaster or COVID-19 loan.

Note: The loan cannot be used for expansion of the business, or to pay off loans. Talk to your loan officer for clarification.

What Counties are Eligible for Economic Injury Disaster Loans for Hurricane Ian?

If you are located in a declared disaster area, you may be eligible for financial assistance from the U. S. Small Business Administration (SBA).

The Economic Injury Disaster Loan Steps

Three ways to apply:

- You can apply online at <https://disasterloan.sba.gov>
- You can visit an SBA Business Recovery Center or a FEMA/SBA Disaster Recovery Center and get help in applying.
- You can request a paper loan application by calling 800-659-2955 or sending an email to: DisasterCustomerService@sba.gov and mail it in, or turn it in at a temporary FEMA or SBA Center.

An SBA Loan Officer will review your credit, repayment ability and make a loan decision. The Loan Officer will discuss the decision with you.

The Loan Officer determines the loan amount. If the loan request is approved, the loan application is sent to the Legal department for preparation of your loan closing documents.

Once the loan documents are executed and returned to SBA, the Legal department can authorize disbursement of the loan.
